

Dear Parent/Guardian,

I hope this letter finds you well. I am reaching out to share an update regarding our Year 11 Hospitality and Catering course, which has recently been enhanced based on the valuable feedback we received from our parent community.

Our goal has always been to provide high-quality meals covering a range of skills and a positive experience for our students while managing costs effectively. In response to feedback we received, several adjustments have been made to improve our ingredient quality and variety, aiming to offer better options at a reasonable cost.

To continue supporting these improvements and to help keep overall costs manageable, we are requesting a payment of £15 and the school will buy the ingredients in bulk. This will directly support the procurement of fresh and nutritious ingredients, ensuring we maintain the standards that have been important to our community.

We are committed to keeping expenses as low as possible for you and have worked diligently to minimise the impact on families. Your support in this will make a significant difference in maintaining and enhancing the continued experience of the students in Hospitality and Catering. The cost will cover ingredients for their practical assessment dishes as well as additional cooking experiences throughout the year.

Please make your payment by Monday 4th November 2024 via ParentPay. Should you have any questions or need further clarification, do not hesitate to contact me directly.

Thank you for your understanding and continued support as we strive to provide the best for our students.

Kind regards,

Mrs N Moore  
Head of Design and Technology
