

19th November 2024

Dear Parent/Carer

Year 7 Aspirations RAK Day- 27th November

I am writing to give you a brief update of our upcoming RAK Day. Fareham Academy's Personal Development Learning education embraces the challenges of supporting young people to lead a happy and successful adult life through enabling them to make informed decisions about their wellbeing, health and relationships and future pathways. We aim to equip students to make confident decisions when facing risks, challenges and complex situations. Our curriculum supports and prepares students for their responsibilities and experiences for adult life.

The themes the students will be exploring on the Aspirations RAK Day are:

Fareham College A-Z Careers – Covering the different options for post 16 pathways and the qualifications necessary for certain careers.

Gender Misconceptions – Covering how we associate certain careers with a specific gender and why.

Digital Footprint – Covering the importance of privacy features as well as the digital trail left behind by content uploaded to social media and how this can impact us when applying for jobs in the future.

Medical Careers – Covering the different career paths that exist within the healthcare profession and the NHS.

Fast Fashion – This session aims to inform students about the impact the fast fashion industry is having on both our climate and communities and to look at ways we can aspire towards a more sustainable fashion industry.

Yours faithfully

Mrs Sargeant
Head of Personal Development Learning
