Dear Parent/Carer

Year 10 Aspiration RAK Day- 27th November

I am writing to give you a brief update of our upcoming RAK Day. Fareham Academy's Personal Development Learning education embraces the challenges of supporting young people to lead a happy and successful adult life through enabling them to make informed decisions about their wellbeing, health and relationships and future pathways. We aim to equip students to make confident decisions when facing risks, challenges and complex situations. Our curriculum supports and prepares students for their responsibilities and experiences for adult life.

The themes the students will be exploring on the Aspiration RAK Day are:

University of Portsmouth: Go to uni – Aiming to introduce students to University opportunities available to them and how this can support career aims.

WEX preparation – 2-hour session serving to introduce students to the purpose of work experience, including what to expect, and to prepare students for their WEX placements, and how they can get the most out of their experience.

Southern University Network: Vocational pathways – Aiming to inform students on the differences between t-levels and apprenticeships qualification pathways. Providing them with the information to make informed decisions about their next steps.

Careers Fair – Providing the opportunity to meet and engage with a range of post-16 providers and employers.

Yours faithfully

Mrs Sargeant
Head of Personal Development Learning
